

Quick Start Guide

HOW TO REGISTER YOUR ACCESS CODE

To access your online course, you must complete an easy, one-time registration process.

To Register:

1. Go to <http://www.AzarInteractive.com>,
2. Click on **Register**.
3. Follow the instructions for entering your access code. You will create a **Login Name** and **Password** during this process.
4. After registration, you will see a Confirmation page with your **Login Name** and **Password**. Print this page. You will need your **Login Name** and **Password** to log in and begin working. (You will also receive your **Login Name** and **Password** in a confirmation e-mail.)

You are now ready to log in to your Azar Interactive course anytime, anywhere.

HOW TO LOG IN

You can log in to your online course anytime after you register.

1. Go to <http://www.AzarInteractive.com>,
2. Click on **Login**.
3. Enter the **Login name** and **Password** you created during registration.
4. Begin exploring your online product.

HOW TO REGISTER ADDITIONAL ACCESS CODES [STUDENT]

1. Go to <http://www.AzarInteractive.com>, and click on the **STUDENTS** button.
2. Click on **Register**.
3. Accept the license agreement.
4. Click on **Yes, Look Me Up** and enter your previously created **Login name** and **Password**, before entering the new access code.
5. After you have clicked on the **Next** button, make sure to re-enter your password. Your password should include at least one number and one letter.
6. After registration, you will see a Confirmation page with your **Login Name** and **Password**. Print this page. You will need your **Login Name** and **Password** to log in and begin working. (You will also receive your **Login Name** and **Password** in a confirmation e-mail.)
7. Return to the <http://www.AzarInteractive.com>, website and login using the **Login name** and **Password** you created during registration.
